No graphics (logos, symbols, etc.) are permitted on Government-furnished headstones or markers other than the available emblems of belief, the Civil War Union Shield, the Civil War Confederate Southern Cross of Honor, and the Medal of Honor insignias.

An emblem of belief for inscription on a Government headstone or marker is an emblem or symbol that represents the sincerely held belief of the decedent that constituted a religion or the functional equivalent of religion and was believed and/or accepted as true by that individual during his or her life. The belief represented by an emblem need not be associated with or endorsed by a group or organization.

Emblems of belief for inscription on Government headstones and markers do not include social, cultural, ethnic, civic, fraternal, trade, commercial, political, professional or military emblems. VA will not inscribe any emblem on a headstone or marker that would have an adverse impact on the dignity and solemnity of cemeteries honoring those who served the Nation. Emblems that would not be permitted include (but are not limited to), emblems that contain explicit or graphic depictions or descriptions of sexual organs or sexual activities that are shocking, titillating, or pandering in nature; and emblems that display coarse or abusive language or images.
