

A PLACE OF *Honor*

Sampson Veterans Memorial Cemetery serves the burial needs of veterans and their eligible dependents. It's a place of honor—hallowed ground that will remind future generations of the sacrifices that were made by our nation's best and bravest.

It's time for every citizen to take a stand for those who stood for us. While funding was secured to establish Sampson Veterans Memorial Cemetery, private funding must also be secured to ensure proper maintenance.

Your generous support of this funding initiative is essential. When the call to duty came, they answered. Today there's a new call, a call for each of us to show our respect for the men and women who so honorably served our nation. And just as their nation needed them, we need you.

Thanks to grateful patriots like you, our nation's veterans can be assured of a dignified military funeral worthy of their service.
